

# Lakeville South Cougar Football

July, 2010

Dear Friends of Lakeville South Football,

The 2009 Lakeville South High School Varsity football season was a success due in part to sponsors like you. Cougar football continues to provide exciting high school football entertainment and continues the tradition of proudly representing *our* community. Our program promotes sportsmanship, teamwork, strength, character, discipline, dedication and fun.

We are currently fund raising for our upcoming 2010 season. We are excited for our season and expect this to be one of our best years yet at Lakeville South. Attached you will find the different Sponsorship levels that are available this year and the recognition for donations associated with each level.

Please note that if you are not able to donate funds, we are also accepting donations for our Silent Auction.

Your donations directly impact and support the players on the team. 100% of your funds are used for players who cannot afford team apparel, the highlight DVDs which help in recruiting efforts and scholarships to help get kids to college, to name a few. Team equipment and supplies are other examples of what the donations will be used toward.

Please consider being a Cougar Football sponsor a part of an exciting community tradition.
